Mystic Region REPC

TUESDAY, May 15, 2012

9:30 AM – 12:30 PM

General Electric Plant – Lynn, MA

Agenda

9:00 am – Registration - continental breakfast

9:30 am – Welcome & brief overview – Captain Tustin

GE presentation - Dan Montanaro, EHS Site Manager, and Brad Bittenbender, Sr. Safety Specialist will provide an overview of the GE site and its Hazmat response plans.

10:00 am – MEMA Earthquake presentation Dr John Ebel Boston College

Dr. John Ebel is from Boston College and is the Director of the Weston Observatory of Boston College. His presentation is geared towards the very real possibility of earthquakes in New England and what our past experiences have been, as well as some of the major dangers that are specifically related to New England.

11:00 am - Mass Trucking

MMTA is a non-profit trade association lobbying the state of Massachusetts on behalf of the trucking industry. Mass Motor Trans Assoc's will present their response to the Boston Hazardous Materials Ban Proposal.

11:30 am – UMASS Medical – Eunice Shriver Center – Nancy Shea – They have received a grant from Homeland Security to educate communities about sheltering people with disabilities. They will go to a community and educate all parties involved with the best way to handle your disabled population.

11:40 am – MEMA Equipment Presentation

MEMA just purchased 2 new trailers, an EOC Trailer and a Communication Trailer. They will both be on display in the parking lot and a brief presentation will be given on each describing their capabilities and functions. These trailers are available to our communities as requested, and we are excited to put them to use.
