- 9:45 Peter Boynton – Co-Director Kostas Institute
- 10:00 Robert Siciliano - a nationally recognized ID theft security expert
- 11:00 Lt. Scott Sencabaugh – STARS presentation

Topics:

**STARS - School Threat Assessment and Response System**

<http://nemlec.com/stars.htm>

School Threat Assessment and Response System (STARS) was created in 1999 to assist the regions' over 500 schools in working towards enhancing school safety and preventing threats and violence in schools, and to ensure they were prepared to identify, assess, and respond to school threats and emergencies.

Presented by Lt. Scott A Sencabaugh Wilmington Police Department

**Robert Siciliano** - a nationally recognized ID theft security expert and blogger, Robert Siciliano, will speak on the virtual world and social media; its application, benefits, and potential problems related to its use by public and private organizations and individuals. You may access further information on Mr. Siciliano at [www.robertsiciliano.com](http://www.robertsiciliano.com).
