Training - Need to do a Survey Monkey asking about improvements made after the last training exercise. SERC wanted evidence of improvements before approving funding for the next training exercise. Survey Monkey will ask about status of ICS training and statewide communication interoperability which were items from the Improvement Plan of the After Action Report. It was decided we need a letter to Heads of Gov't reminding them they need to be NIMS compliant before any grants/funding will be issued to them.
If we are denied funding for October training exercise we will fill in with ICS training.
Need to add Training Page to Mystic REPC website.
Allan Alpert also suggested we check in with UASI for funding.
